

ROCKHURST HIGH SCHOOL

Ignatian Heritage Society

Individuals who want to make a strong statement about their commitment to the mission of Rockhurst High School and Jesuit education join the Ignatian Heritage Society.

The formation a person receives in high school is the most significant of his or her life. Rockhurst High School has partnered with families since 1910 to be *alma mater*, a giver of values, to young boys on their way to being “men for others” for the greater glory of God.

The Ignatian Heritage Society includes benefactors who have provided for Rockhurst High School by gift of will, bequest, or estate. This devotion to the ideals of the Society of Jesus is the tie that binds an institution of excellence and generations of people who keep it “alive” with their generosity.

Rockhurst High School is grateful to its patrons who keep Catholic education, animated by the Jesuit Vision, a vibrant option for families in Kansas City.
